

There are abbreviated materials - "Information Packets" - that are included in this list. This list represents only materials primarily on this topic. However, there are other materials that speak to this topic available in the library (i.e., brief "Articles," etc.). Contact ORPARC for additional materials.

Medical Issues

Material Title: **Fragile X Syndrome: Medical and Educational Approaches Toward Intervention (Audiotape)**
 Author: Belle Curve Records *Audiotapes* 1993 90 minutes

This 90-minute audio cassette contains a discussion of medical and educational approaches toward the treatment of individuals with Fragile X Syndrome. This discussion includes a framework for understanding sensory integration theory as it applies to the child's functional roles as family member, student and member of the community.

Material Title: **Parenting the Medically Fragile/Drug Affected Infant (VHS)**
 Author: *Videotapes* 3 hours

This video contains significant information regarding the biological history and symptoms of alcohol/ drug affected infants, interventions that can be used with such medically fragile children, and the poignant story of one child impacted for life by the use of alcohol/ drugs during fetal development. The tape consists of an expert talking about these issues, and though the information is accurate and useful, some viewers may not find the presentation very engaging.

Material Title: **Raising Resilient Rascals 2008: Disk 3 (DVD)**
 Author: DVD *DVDs* 2008 3 hours

This disk includes the following presentations from the 2008 conference: "Interventions for the Fetal Alcohol Spectrum" with Julia Bledsoe; "Psychiatric Medication Treatments and Their Place in Adoption Medicine" with Margaret Cashman; and a Sleep Discussion & Panel led by Margaret Cashman.

Material Title: **Raising Your Spirited Child**
 Author: Mary Kurcinka *Books* 1991

Spirited kids are, in fact, simply "more"--by temperament, they are more intense, sensitive, perceptive, persistent, and uncomfortable with change than the average child. Distinguished here from hyperactive children, Mary Sheedy Kurcinka offers parents emotional support and proven strategies for handling their spirited child.

Material Title: **Straight Talk about Psychiatric Medications for Kids**
 Author: Timothy E. Wilens *Books* 2004 264 pages

Dr. Timothy Wilens provides essential guidance for parents facing tough choices about whether or not to give a child medication for emotional or behavioral problems. Packed with frequently asked questions, examples, and charts, the book explains which medications are prescribed for kids and why; their effects on health, emotions, and school performance; how to maximize the benefits; and when to consider other treatments instead.

Material Title: **Straight Talk about Psychiatric Medications for Kids (revised 2004)**
 Author: Timothy Wilens *Books* 2004 264 pages

Dr. Timothy Wilens provides essential guidance for parents facing tough choices about whether or not to give a child medication for emotional or behavioral problems. Packed with frequently asked questions, examples, and charts, the book explains which medications are prescribed for kids and why; their effects on health, emotions, and school performance; how to maximize the benefits; and when to consider other treatments instead. A special 2005 supplement advises parents on the issues surrounding the FDA "black box" warning on SSRIs for depression in children and teenagers.

Material Title: **Talking Back to Ritalin**
 Author: Peter R. Breggin *Books* 1998 356 pages

This looks at the current state of drug use to treat ADHD in this country is divided into four parts. "Ritalin, Amphetamine And Other Stimulant Drugs" describes the medical and psychological ideology and reality behind the use of these drugs. "Attention Deficit-Hyperactivity Disorder (ADHD)" addresses medical and psychological theory and practice in diagnosing this ubiquitous problem. "The Politics Of TheADHD/Ritalin Lobby" reveals "Who's Behind All This." And "How We Can Help Our Children" offers solutions.

Material Title: **Uncommon Voyage: Parenting a Special Needs Child**
 Author: Laura Kramer *Books* 2001 245 pages

This book is a true story of one woman's journey from innocence and denial to enlightenment and empowerment. Through detailed journaling, Kramer recounts the steps she and her family have taken since her son was diagnosed with cerebral palsy in 1984.
