

There are abbreviated materials - "Information Packets" - that are included in this list. This list represents only materials primarily on this topic. However, there are other materials that speak to this topic available in the library (i.e., brief "Articles," etc.). Contact ORPARC for additional materials.

Respite Care

Material Title: **Respite Care for Adoptive Families (DVD)**

Author: Norma Nelson *DVDs* *October 2000* *80 min.*

This ORPARC training may be useful to help both adoptive parents and the professionals who work with them think about the value and nature of respite care for families whose children have special needs. It presents practical advice on identifying existing sources of respite and choosing and training respite providers so that the unique needs of both children and parents are met, and a smooth transition for all parties is achieved.

Material Title: **Respite Care for Adoptive Families (VHS)**

Author: Norma Nelson *Videotapes* *October 2000* *80 minutes*

This ORPARC training may be useful to help both adoptive parents and the professionals who work with them think about the value and nature of respite care for families whose children have special needs. It presents practical advice on identifying existing sources of respite and choosing and training respite providers so that the unique needs of both children and parents are met, and a smooth transition for all parties is achieved.
