Material Title: **Youth Depression and Suicide Prevention**

Author: ORPARC Staff

Information Packets

2003

Section One provides facts about prevalence, risks, and treatment options for youth suffering from depression. Section Two offers statistics, facts, warning signs, and prevention and intervention strategies for youth who may be at risk for suicide attempts. The scope is limited to basic information. The "For More Information" section at the end provides further resources. This packet is not a substitute for appropriate mental health interventions. If you suspect your child suffers from depression or is at risk for suicidal thoughts or behaviors, seek professional help immediately.
