

Post Adoption Birthparent Contact Survey

This survey is being conducted by a graduate student at Eastern Illinois University

If you adopted an unrelated child from foster care, your input is needed for a survey on post adoption birthparent contact. Michelle Roberts, a foster and adoptive parent herself, is doing a graduate thesis on post adoption contact in foster care adoptions. Even if you have had no contact with your child's birthparents, your input is valuable to the study. The online survey takes less than 10 minutes to complete and contains no identifying information. As a special thank you, you will be entered into a drawing for a chance to win a \$100 gift certificate to the store of your choice. Please take a moment to help with this study. Visit www.AdoptionStudy.org for the online survey or contact Michelle at meroberts2@eiu.edu if you would prefer to have a paper survey mailed to you. Your help is greatly appreciated!
