We can help! Northwest Neurodevelopmental Training Center offers an innovative solution to an array of concerns.

Our work is based on normal neurological development, is non-invasive, and does not involve medication. We do not teach compensations; once you have completed our program, you are free to live the fullest life possible.

Call (503) 981-0635 or email scheduling@nwneuro.info
to reserve your appointment for a free half hour screening.
