From 6:30 to 7:30 P.M.

Pringle Hall Meeting Room (606 Church St SE, Salem, OR 97301)

Join other Salem area adoptive parents for socialization, to share support, attend trainings, and learn about being the best parent you can be!

Enjoy meeting with other parents experiencing the same things that you are – the joys of parenting, the intricacies of open adoptions, dealing with the system, and the inevitable questions kids ask. If you are new to adoption, learn about the various adoption types and gain other useful information regarding this route to parenthood.

Children are welcome to attend as toys, games, and activities will be provided. For a complete schedule or further information, please contact justaminion@gmail.com or (541) 990-8267. Or visit our Web site at: www.facebook.com/SalemNAFA

This is a free event.

NAFA is a non-profit, all volunteer support group for adoptive families and those interested in adoption. NAFA is actively involved in education, advocacy and support for its nearly four hundred member families located throughout Oregon and Southwest Washington.
