

# Communicating with Traumatized Children

Richard's training builds on tools from his ingenious and world-renowned life story work approach, offering supportive communication techniques for all types of caregivers & workers to use while engaging and connecting with children who have experienced hardships and trauma. Learn how to use creative approaches such as:

- "All About Me" Books
- Behavior Trees
- And more!

*Please join us for this special opportunity to once again host Richard Rose!*

*Richard Rose is the Director of [Child Trauma Intervention Services Ltd.](#) Richard undertakes consultancy and training on Life Story Therapy and working with 'hard to reach' children and adolescents; and develops academic training programs in the UK and internationally. He is an Adjunct Associate Professor of Social Work and Social Policy at [La Trobe University](#), Melbourne, Australia and is a Fellow of the Berry Street Childhood Institute, a part of [Berry Street](#), Australia. Richard works with children and their carers in out of home care and family placements to assist understanding and attachment with the aim of enabling placements to become healthy and nurturing for all involved.*
