

The Project Lemonade Store is now open to youth under a legal Guardianship status stemming from a previously open ODHS Child Welfare case.

Guidelines:

- Youth ages 5-18.
- Court documentation will need to be provided upon the first shopping visit. Once received families shouldn't need to provide it again. It can be a hard copy or a screenshot of the court order.
- Other non-guardianship siblings in the household would not qualify to shop.

Store Access:

Youth are eligible to shop up to 3 times per year. Please space those shopping visits out throughout the calendar year!

Schedule appointments through our new registration portal on our website. Once Guardians create an account all youth will be stored for future appointment scheduling!

Virtual Shopping:

Youth living in outlying counties could qualify for our Virtual Shopping orders; Guardians can submit the specific sizes and styles of each youth and have the order filled on their behalf. An initial copy of the Guardianship order will still be required by email.

Special Events:

Throughout the year we hold a few extra special events; keep an eye out for Superhero Days in April, Back to School Shopping, and Winter Holiday festivities.
