

CLOSURE: A Documentary About Adoption

and Special Guest ODHS Child Welfare Director Rebecca Jones-Gaston

This incredible story featuring local PNW adoptee and popular blogger Angela Tucker of [The Adopted Life](#) documents her emotional experience as a transracial adoptee and subsequent search for birth family.

Whether adopted, fostered or reunified, all children and youth deserve to stay connected and engaged with their roots, culture and identity.

In honor of National Adoption Month and adoptees, all children in care, and their birth families & caregivers of all kinds – whether resource/foster, adoptive, birth or kin - ORPARC and ODHS are partnering to show the movie *Closure: A Documentary About Adoption*.

Following the movie, join us for a very **SPECIAL Q&A GUEST**: our own ODHS Child Welfare Director and adoptee **Rebecca Jones-Gaston!**

Parents & Professionals welcome!
