

HOPE

for the Journey
CONFERENCE

Featuring Trust-Based Relational Intervention® (TBRI) Method

developed by Dr. Karyn Purvis and Dr. David Cross from the TCU Karyn Purvis Institute of Child Development

Join ORPARC online for a FREE training opportunity.

Show Hope's **Hope for the Journey Conference** seeks to **encourage and better equip** parents and caregivers meeting the everyday needs of children impacted by adoption and/or foster care.

At its core, TBRI® works to promote trust, attachment, and connection between caregivers and children by addressing physical and emotional needs while also disarming fear-based behaviors.

*"Thank You for having this training...[We] have been involved with foster care for 16 years...This was **one of the best trainings we have seen.**"*
